Let the Galas begin!

The Law Offices of Dianne Sawaya has always been a supporter of local organizations that work to enrich the lives of those they serve. This year, Dianne decided to take a personal approach, choosing to support organizations her staff are passionate about and sponsoring their 2018 events.

Paralegal Cheri Roberts is one of the founding members of MStorious Miracles, a non-profit that assists those suffering with Multiple Sclerosis (MS) by helping them find access to proper medical care and helping those disabled by the disease overcome accessibility challenges. To help raise funds MStorious Miracles holds an annual gala by hosting a prom themed event that transports partygoers back to when one's biggest concern was getting a date to the big dance. The gala will be April 21 at the Denver JCC. For more information or to buy tickets visit msteriousmiracles.org.

Dianne and her staff will be attending the Laugh Yourself Blue Gala on April 12 to support Firefly Autism. Firefly is one of America's most respected treatment facilities serving families affected by autism. By applying cutting-edge scientific methodologies and unwavering dedication, they help students reach milestones never thought possible. Every year, Firefly hosts an evening of joy and laughter to raise money for their globally recognized treatment programs including scholarships that ensure children aren't denied access to their services. To buy tickets, a table, or for information on sponsorship opportunities visit laughyourselfblue.com.

The Law Offices of Dianne Sawaya is proud to support these and other organizations in the Denver community, to see a full list visit dlslawfirm.com/dianne-sawaya-supports.

Join the Club!

Last December, Dianne Sawaya's leadership and aggressive negotiation strategies earned her a place among the top trial lawyers in America by becoming a certified member of the Million Dollar Advocates Forum and the Multi-Million Dollar Advocates Forum.

For 25 years, the Million Dollar Advocates Forum has been considered one of the most prestigious groups of trial lawyers in the nation, fewer than 1% of U.S. attorneys have earned this honor. Forum membership acknowledges excellence in client advocacy and is granted to attorneys who have received million dollar and multimillion dollar verdicts, awards or settlements. That tradition of excellence continues today and inspired attorneys across the nation to strive for the honor of becoming a member.

This achievement demonstrates Dianne's dedication to her clients, but also speaks to the hard work and dedication of the entire team. From the front desk to the mail room, Dianne Sawaya and her team are working hard to make sure each client receives the justice they deserve.

We are committed to our local community!

We want you to think of us as your trusted legal advisors. If you, your family or friends need legal advice, we are here to help you.
