## Discover the Beauty of Virginia's SHENANDOAH NATIONAL PARK

Our National Park's are certainly some of our country's greatest treasures. Why not plan a road trip of a lifetime to experience some of this beauty first hand? Virginia's Shenandoah National Park boasts 105 miles of stunning mountain vistas, green grass, rolling hills and plenty of twists and turns on mountain roads to get your adrenalin pumping. The Skyline Drive takes you to the crest of the Blue Ridge Mountains, and includes an amazing 70 vista/overlooks... that translates into scenic stops approximately every 1.5 miles! You will have plenty of opportunity to capture some amazing pictures and take in some breathtaking and inspiring scenery all along the ride.

## A BIKER'S PRAYER

May the sun rise in front of me  
May the rain fall behind me  
And the wind follow me  
May the angels guard my travels  
For they know the road ahead of me  
Keep me safe through swirling turns and rolling hills  
Let the eagle guide me to the mountaintops  
Let the moon's light guide me through the night  
Lord, thank you for letting me be a biker

**Love is in the air...** Believe it or not, Studies show that making time to ride together can strengthen your relationship with your sweetheart! # MURPHY'S MOTORCYCLE LAWS

- 1) A motorcycle cannot/will not fall over without an audience.
- 2) The fact your keys are still in your pants pocket will become apparent after you put your gloves on.
- 3) Motorcycles are to yellow bugs what aircraft carriers once were to Kamikaze pilots.
- 4) Quick fixes are named for how long they stay fixed.
- 5) The only part you really need will also be the only part on permanent backorder.
- 6) Nothing is harder to start than a used motorcycle being shown to a prospective buyer.
- 7) You will never suffer a punctured tire on the road until you leave the repair kit at home.
- 8) "Universal" accessories are so named because that is where you must search to find the bike they fit.
- 9) It won't rain unless you leave home without rain gear.
