Car or Truck Accident Attorneys on Your Side

If you, a family member, friend, or neighbor have been injured in a car accident or were hurt by a hit-and-run driver, you could be entitled to compensation for medical expenses, lost wages, out-of-pocket expenses, pain and suffering, and more. But you may find that the insurance company won't do right by you. They try to convince you to settle quickly for less than you deserve – or even refuse to pay you at all.

It takes a smart, aggressive car accident attorney like Dianne Sawaya to work with the insurance company, so they live up to their obligation and pay you the money you deserve. Insurance companies have learned that if they don't offer you a fair settlement, our car accident attorneys won't hesitate to take your car accident case to trial and litigate your needs in front of a judge and jury.

Dianne Sawaya has worked with thousands of clients over the years – clients who have trusted their cases with Dianne and the Denver, Colorado personal injury attorneys at The Law Offices of Dianne Sawaya. If you've been injured in a car accident in the Denver area, consider [giving our firm a call](#) today.

Client Testimonials

Dianne and Tiana were the absolute BEST! I had a ski injury and I've never taken legal action before, so I was a little nervous. But they were both so caring and compassionate. They kept in touch and made sure to reach out to me if there were any updates. Hopefully, I never have another injury, but if I do, I'll 100% reach out to them again. Thank you again so much guys, you're the best and you're amazing at what you do ♥
--Kristin B

From start to finish I had a great experience. The insurance company tried to offer me a pittance to settle my claim. They would not listen to me – but they sure listened to Dianne!

I would recommend Dianne Sawaya to anyone.

Cranberry Salsa & Cream Cheese Spread

Ingredients

- 12 ounces fresh cranberries
- 3/4 cup granulated sugar (add more to taste)
- 1 jalapeno, seeded and chopped coarsely (leave the seeds in if you like it spicy)
- 1/2 cup cilantro
- 4 green onions
- 2 tablespoons lime juice
- pinch of salt
- 2 8-ounce blocks of cream cheese

Instructions

Place all the ingredients in a food processor (EXCEPT CREAM CHEESE) and pulse until desired consistency. Chill in the fridge for a couple of hours, preferably overnight. Serve over cream cheese and with crackers.

Recipe Notes

This makes enough to cover two blocks of cream cheese. Depending on how tart your cranberries are, you may want to add more sugar.

Wheat Thins or Triscuits are great for serving with this because they are sturdy and won't break when dipping. Be sure you have a spreader to use with softer crackers.
