Autumn Equinox “Slip and Fall” Public Announcement

As we enter Fall, we wanted to take a moment to share the three most important things you must know if you have fallen or tripped due to the negligence of another person.

1. If you fall on government property, call us right away. There are important notices that must go out within a short period before you are unable to make a claim.
2. While you are getting medical attention, direct a witness to take a photo of the place you fell. Photo/ video evidence is invaluable.
3. The statute of limitations in Colorado for Slip and Fall/ Trip and Fall accidents is two years (with a few exceptions). Call us right away so we can preserve the evidence and fight for the justice you deserve.

We Are Hiring!

Featured Recipe: Zucchini Bread

Description

This zucchini bread recipe yields 1 9×5 inch loaf. With brown sugar, cinnamon, nutmeg, vanilla, and a little applesauce for added moisture, the quick bread is flavorful, moist, freezable, and a great way to use summer's favorite vegetable!

Ingredients

- 1 and 3/4 cups all-purpose flour (spoon & leveled)
- 1 teaspoon baking powder
- 1/2 teaspoon baking soda
- 1/2 teaspoon salt
- 1 and 1/2 teaspoons ground cinnamon
- 1/4 teaspoon ground nutmeg
- 1/2 cup vegetable oil (or melted coconut oil)
- 1/2 cup packed light or dark brown sugar
- 1/2 cup granulated sugar
- 2 large eggs, at room temperature
- 1/4 cup unsweetened applesauce (or sour cream or Greek yogurt)
- 2 teaspoons pure vanilla extract
- 1 and 1/2 cups shredded zucchini (no need to blot moisture)
- optional: 1 cup semi-sweet chocolate chips (or chopped nuts, raisins, etc)

Instructions

1. Preheat the oven to 350°F (177°C). Grease a 9×5 inch loaf pan. See notes for muffins.
2. Whisk the flour, baking powder, baking soda, salt, cinnamon, and nutmeg together in a large bowl until thoroughly combined. Set aside. In a medium bowl, whisk the oil,

brown sugar, granulated sugar, eggs, applesauce, and vanilla together until combined. Whisk in the zucchini. Pour the wet ingredients into the dry ingredients. Gently stir or whisk until *just* combined; do not overmix. Fold in any optional add-ins like chocolate chips or nuts. Batter is slightly thick.

3. Spread the batter evenly into the prepared loaf pan. Bake for 55-70 minutes. (I like to loosely cover the bread with aluminum foil halfway through to prevent heavy browning on top.) Baking times vary so keep an eye on yours. The bread is done when a toothpick inserted in the center comes out *mostly* clean with zero raw batter. Remove the bread from the oven and set on a wire rack. Allow to cool completely before slicing.
4. Cover and store leftover bread at room temperature for up to 3-4 days or in the refrigerator for up to 1 week.

Trail Ridge Road - Scenic Highway

Fall is one of the best times to tour the Rockies. The leaves begin changing in early September and usually last through mid-October. One destination recommended is Trail Ridge Road, which winds through Rocky Mountain National Park and is only open in Spring, Summer and Fall. It's known to be the highest continuous paved road in the US. This scenic byway sits close to the trails Native Americans used to get across the Rocky Mountains.

The total distance is 48 paved miles, and you'll need at least 2 hours to complete the trip. Trail Ridge Road has become one of the most popular byways due to its high elevations, hairpin turns, and spectacular scenery. For 11 miles of the trip you are traveling above tree line!

You can make reservations and find current road information at the CDOT website: <https://www.codot.gov/travel/colorado-byways/north-central/trail-ridge-rd>
