Testimonials from Our Clients

Sam I.

Last year I was in 2 car accidents in less than a month's time. Dianne's law office wasted no time getting me amazing medical help, And great people to keep me informed. They were able to distinguish how my bills should be taken care of, And also did all the leg work in getting them taken care of. I'll never be able to thank you all enough!

Dianne and Tiana were the absolute BEST! I had a ski injury and I've never taken legal action before, so I was a little nervous. But they were both so caring and compassionate. They kept in touch and made sure to reach out to me if there were any updates. Hopefully I never have another injury, but if I do, I'll 100% reach out to them again. Thank you again so much guys, you're the best and you're amazing at what you do ♥

Truck Accident Injuries

An accident involving an eighteen-wheeler is a devastating event for all involved. The sudden impact of a vehicle weighing up to 80,000 pounds can cause traumatic injuries to the driver and all passengers in the smaller vehicle. In an instant, the crunch of metal, and shattering of glass can turn your world upside down. We understand the hardships you or a loved one face after suffering a truck accident injury. These big rigs can cause severe damage, leading to hardships and stress you never expected.

Many individuals that we meet following a truck accident don't know where to begin. Questions cloud their judgment, causing fear and anxiety as they discern what actions can help alleviate their physical, emotional, and financial pain.

We will begin the investigation process immediately, putting the truck company on notice that no evidence can be destroyed. We will ensure photos of the accident scene are taken, will interview witnesses, and will obtain the driver's log to show the number of hours the driver was on the road the day of the accident. We have a network of nationally recognized physicians from various specialties and dedicated medical treatment providers who will ensure you get the medical attention you need.

Fortunately, our attorneys have the experience and knowledge necessary to help those suffering from such an injury. Our team is dedicated to helping you and your family by getting you the medical help you need and the compensation you deserve. Call our office today 24/7 for a free consultation about your truck accident case.

Tortellini Soup with Sausage & Kale

Ingredients

- 1 pound mild Italian sausage, ground or casing removed
- 1 medium yellow onion, chopped
- 6 garlic cloves, minced
- 1 quart chicken stock
- 1 (14-ounce) can crushed tomatoes
- 2 tablespoons tomato paste
- 1 teaspoon sea salt
- 1 bunch curly kale, stemmed and roughly torn
- 10 ounces fresh tortellini
- 1 cup heavy cream
- Parmesan cheese, grated for serving (optional)
- ¼ teaspoon red pepper flakes, for serving (optional)

Directions

Heat a large pot over medium-high heat. Add the sausage, onions, and garlic and cook, breaking up the meat with a wooden spoon, until it is browned and the onion is translucent, about 5 minutes. Drain off any excessive fat.

Whisk in the chicken stock, crushed tomatoes, and tomato paste until fully incorporated. Bring to a boil and add the salt, then reduce the heat to a simmer and cook until slightly reduced, about 15 minutes. Stir in the kale, tortellini, and cream. Cook until the kale is wilted and the pasta is tender, 3-5 minutes.

Ladle the soup into bowls. Sprinkle with Parmesan and red pepper flakes, if desired, before serving.
